## Polytechnic Newsletter May 2023

### BSC 83rd Commencement Ceremony

BSC celebrated its 83rd Commencement Ceremony on Friday, May 12, 2023. This year's ceremony was especially noteworthy, as we had **six high school students graduate from BSC before they graduated high school** and **an extra special reunion between a BSC grad and his family that traveled 5,000 miles to celebrate the special occasion.**

BSC conferred 1,057 degrees to 887 graduates who either completed their course of instruction during the

waived!

**RSVP for a Chance at a \$500 Scholarship and Larks  
Tickets**

## **Experiential Learning at BSC**

Experiential learning as an effective teaching and learning method is alive and well at BSC. Experiential learning refers to any component of a course's curriculum designed specifically to help students build skills in a context they will encounter in a place associated with their field of learning by using and
