- Rismarck State College**

-
- A screenshot of the AWS IAM console's 'Groups' page. The top navigation bar includes 'View All Groups', 'New Group', and 'New Request'. Below the header, there are tabs for 'Users', 'Groups', and 'Roles'. The main content area shows a list of groups. On the left side, there is a sidebar with a search bar and a list of actions. A red rectangular box highlights the 'Add user to group' button in the sidebar. Other visible elements include 'Filter by name', 'Filter by type', and a 'Filter by role' dropdown menu.

-
- The screenshot shows the NewRenset website interface. At the top, there is a navigation bar with a 'View All Requested Records' link highlighted by a red rectangular box. Below the navigation bar, the main content area displays a list of records, including a section titled 'Selected State' and a table of records with columns for 'Record ID', 'Record Type', and 'Record Status'. The table contains several rows of data, including records for 'New York State' and 'New York City'.

8. Click the print button on your browser toolbar.
